INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
The Foundation for Landscape Studies, Inc.

We have audited the accompanying financial statements of The Foundation for Landscape Studies, Inc. (a nonprofit corporation), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Foundation for Landscape Studies, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

THE FOUNDATION FOR LANDSCAPE STUDIES, INC.**NOTES TO FINANCIAL STATEMENTS****JUNE 30, 2016 AND 2015****Note 1 - Organization and Summary of Significant Accounting Policies****a - Organization**

The Foundation for Landscape Studies, Inc. (the "Organization") initiates collaborative projects with other organizations, institutions and individuals that promote and advance landscape history and historic landscape design, theory and practice.

For the years ended June 30, 2016 and 2015, approximately 48% and 46% of the contributions came from a foundation and two individuals.

b - Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid debt instruments, including money market funds, to be cash equivalents.

c - Contributions and Unconditional Promises to Give

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Organization, that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction is met, temporarily restricted net assets are reclassified to unrestricted net assets.

d - Equipment and Intangible Assets

Equipment is recorded at cost and is depreciated using the straight-line method over its estimated useful life. The cost of the website and trademark are capitalized and amortized using the straight-line method over the estimated life of the respective assets.

e - Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

f - Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2016 AND 2015

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

g - Tax Status

The Foundation for Landscape Studies, Inc. is a not-for-profit organization exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and has been designated as an organization which is not a private foundation.

h - Subsequent Events

The Organization has evaluated subsequent events through January 20, 2017, the date that the financial statements are considered available to be issued.

Note 2 - Board Designated Reserve Fund

The Board of Directors authorized the establishment of a general board designated reserve fund intended to cushion unanticipated shortfalls in budgeted revenues from time to time. The initial size of this reserve was established at \$140,000, which was computed as 50% of total revenues shown in the 2013 budget. The Board established as the policy of the Organization that it shall be the ordinary practice of the Organization to maintain a general operating reserve equal to not less than 50% of the total revenues shown in the budget for the then-current fiscal year, therefore the reserve was increased to \$150,000 at June 30, 2016. Unless otherwise determined by the Board, amounts in this general reserve shall be available solely to fund actual operating losses.

Note 3 - Restrictions on Net Assets

Temporarily restricted net assets are restricted for future programs.

Note 4 - Unconditional Promises to Give
